

La Currah

La Currah is one of the latest additions to the varied list of properties which Pierres Caraibes currently have for exclusive rental.

It is a cream and white wooden house in Caribbean style with a view of the gentle wooded slope of Terres Basses to the Caribbean and the smokey blue silhouette of the island of Saba. Flamboyant trees surround the house and in summer these erupt into the most wonderful flame coloured flowers, to be followed later by a shady canopy of green. A large roofed over terrace gives way to a decked area surrounding a new blue tiled swimming pool. The fully equipped kitchen and open plan living area have large sliding doors leading out onto the terrace with outside dining area. There are two generous sized air-conditioned bedrooms with king size beds and adjoining bathrooms.

Charming and comfortable furnishings throughout add to the overall feeling of relaxation and tranquility
